Seasonal Leaf Collection Day

Date: 11/18/2023 (all day)

CWD, Colleyville's trash and recycling service provider, will run special collection routes to recycle bagged leaves starting in November. These dates include:

November 18, 2023

December 2, 2023

December 9, 2023

December 16, 2023

December 23, 2023

January 6, 2023

The collections begin at 8 a.m. CWD will also pick up and recycle Christmas trees on the special collection day in January. Residents are asked to not enclose the tree in a plastic sack or bag and to remove all tinsel, stands, and tree decorations.

To participate, residents just need to set out leaves on the designated collection days. CWD will recycle leaves in **any** bag; either paper lawn craft bag or plastic bag. If leaf bags are set out prior to the Saturday collections, residents are asked to place leaf bags separately from household trash. Regular rear-load garbage trucks will be used for these special collection days. With that in mind, residents should be aware of and comply with their Homeowner Association's policies.
